2. BASIS OF ORDER AND ACKNOWLEDGEMENT

2.1 The Contract is subject to these terms and conditions to the exclusion of all other terms and conditions including any terms and conditions the Buyer purports to apply in any Contract unless explicitly agreed to in writing by the Seller.

2.2 A Contract shall not be effective until the Seller has issued written acknowledgment and acceptance of such Contract notwithstanding any earlier confirmation of receipt. The Seller may in its sole discretion decline any purchase order placed by the Buyer.

2.3 Minimum order quantities and minimum Contract values, where necessary, may apply at the Seller’s discretion.

2.4 The Buyer shall ensure that the terms of its purchase order or request are complete and accurate.

2.5 No change or modification of Contracts shall be allowed after acceptance by the Seller unless authorized by a Change Order delivered by the Buyer and accepted in writing by the Seller.

2.6 If there is any conflict between the Seller’s quotation and the Seller’s acknowledgment of the Contract then the latter shall take precedence.

3. DESCRIPTION AND SPECIFICATION OF THE GOODS AND SERVICES

3.1 The description, part numbers and/or specification of the Product and/or Services shall be set out in the Seller’s quotation or the Seller’s acknowledgment of the Contract. All drawings, descriptions, weights, dimensions, etc. and advertising issued by the Seller (for example, in the Seller’s catalogues or price lists) are issued to provide an approximate idea of the Product and Services described in them and do not form part of the Contract unless expressly stated in the Contract or otherwise agreed to in writing by the Seller.

3.2 The Buyer shall determine the suitability of the Products and Services for the Buyer's use and/or application. The Buyer shall be solely responsible for the accuracy of the Buyer's designs, drawings, specifications and other data supplied to the Seller by the Buyer, even if the Seller examines, inspects, studies or comments to the Buyer regarding any such designs, drawings, specifications or other data.

4. DELIVERY AND ACCEPTANCE

4.1 Unless agreed otherwise by the Seller in writing or expressly stated in the applicable price list or quotation provided to the Buyer:

- (a) the Seller will arrange for the Carrier to transport the Product and/or Buyer Property (unless Section 4.1 (b) applies) at the Buyer's risk and cost, and delivery will take place FCA (Incoterms 2010) when the Product and/or the Buyer Property is made available to the Carrier at the Seller's facility;
- (b) the Buyer will arrange for the Carrier to transport the Buyer's Property on which Services are to be performed and delivery will take place DDP (Incoterms 2010) when the Buyer Property is delivered by the Carrier at the Seller's facility.

Delivery dates for the supply of the Product and Services are estimates only and time is not of the essence. The Seller will not be liable for any loss (including loss of profit), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Product, Buyer Property and/or Services, nor will any delay entitle the Buyer to terminate or rescind the Contract.

4.2 If for any reason the Buyer does not take delivery, or the Seller is unable to deliver the Product. Buyer Property and/or the Services on the estimated delivery dates because the Buyer has not provided appropriate instructions, documents, licenses, authorizations, etc., then such Product and/or Buyer Property will be deemed to have been delivered and risk shall pass to the Buyer. The Seller may at its option:

- (a) store such Product and/or Buyer Property until actual delivery whereupon the Buyer will be liable for all related costs and expenses (including without limitation storage and insurance); and/or
- (b) re-allocate or take reasonable steps to sell such Product and/or Buyer Property at the best price readily obtainable (after providing not less than thirty (30) days' prior written notice to the Buyer). The Seller may charge the Buyer for any shortfall below the Contract price or account to the Buyer for any excess (after deducting all reasonable survey, repair, storage and selling expenses); and/or
- (c) invoice the Buyer for all related costs and expenses incurred by the Seller.

4.3 The Buyer shall promptly notify the Carrier of any damage to, loss from or non-receipt of any Product and/or Buyer Property if transportation has been arranged by or on behalf of the Buyer. The Seller shall not be liable for any such damage, loss or non-receipt.

4.4 The Buyer may arrange for testing and inspection of the Product before shipment at the Seller's facility. If the Buyer has conducted such inspection, the Seller shall not be liable for any claim made after shipment in respect to any defect in the Product which would have been apparent upon such inspection.

4.5 The Seller may, at its option, make partial shipments of Product and invoice the Buyer for each shipment individually in which case each delivery shall constitute a separate contract. Failure by the Seller to deliver any one or more of the shipments in accordance with these terms and conditions or any claim by the Buyer in respect of any one or more shipments shall not entitle the Buyer to terminate the whole Contract or refuse to accept subsequent shipments. The Buyer shall accept any early delivery.

4.6 The Buyer will be deemed to have accepted the Product as being in accordance with the Contract, the Seller shall have no liability for any defect and/or failure and the Buyer shall be bound to pay the price unless:

- (a) within fifteen (15) days of the date of delivery of the Product, the Buyer notifies the Seller in writing of any defect apparent upon inspection of the Product to conform with the Contract; or
- (b) the Buyer notifies the Seller in writing of any failure of the Product to conform to the Contract within a reasonable time where the defect and/or failure would not be so apparent within fifteen (15) days of the date of delivery.

4.7 The Buyer shall be responsible for checking that all documentation supplied by the Seller to the Buyer is accurate and free from error. The Seller agrees to remedy any inaccuracies/errors in such documentation provided that the Buyer has notified the Seller of the inaccuracies/errors within thirty (30) days of receipt of the relevant document(s). Beyond such period, the Seller reserves the right to charge an administration fee for any amendments made.

5. PASSING OF RISK AND TITLE

5.1 The risk in Products and Buyer Property shall pass to the Buyer on delivery as set forth herein.

5.2 Subject to Section 5.4, full legal, beneficial and equitable title to the Products shall remain vested in the Seller (even though they have been delivered and risk has passed to the Buyer) until the Seller gives written notice to the Buyer to pass legal and beneficial ownership of the Products to the Buyer or, if earlier:

(a) payment in full, in cash or cleared funds, for all the Products has been received by the Seller; and
(b) all other money payable by the Buyer to the Seller on any other account or under the Contract or any other contract or order has been received by the Seller.

5.3 Until full legal, beneficial and equitable title to and property in the Products passes to the Buyer:

(a) the Buyer shall hold the Products on a fiduciary basis as the Seller's Bailee and shall store the Products at its premises, insure them without any charge to the Seller, and keep them clearly identifiable as belonging to the Seller;
(b) the Seller may, on demand and without prior notice, repossess and resell the Products if any of the events specified in Section 12.3 occurs or if any sum due to the Seller from the Buyer is not paid when due and for this purpose, the Seller, its employees, agents and sub-contractors will be entitled to unrestricted access to any premises where any of the Products are situated.

5.4 The Seller hereby authorizes the Buyer to use and/or sell the Products in the normal course of the Buyer's business and to pass good title in the Products to its purchasers, if they are purchasers in good faith without notice of the Seller's rights. This right shall automatically cease on the occurrence of any event set out in Section 12.3 and/or if any sum owed to the Seller to Buyer is not paid when due. If the Buyer sells the Products prior to paying the full price thereof: (a) the Buyer shall hold the proceeds of sale on trust for the Seller; and (b) title to the Products shall pass from the Seller to the Buyer immediately prior to the Buyer entering into a contract for the sale of those Products.

5.5 The Seller's rights and remedies set forth herein are in addition to and shall not in any way prejudice, limit or restrict any of the Seller's other rights or remedies under the Contract or in law or equity. The Seller shall be entitled to maintain an action against the Buyer for the price of the Products notwithstanding that legal, equitable and beneficial title to and property in the Products has not passed to the Buyer.

5.6 Title to the Buyer Property shall at no time pass to the Seller unless the Buyer specifically agrees otherwise in writing, or Section 4.2 (b) applies.

5.7 Risk in the Buyer Property shall pass to Seller on delivery to the Seller and remain with the Seller at all times while in the Seller's possession or control.

6. CONTRACT PRICE

6.1 The Seller reserves the right to adjust prices where necessary before a Contract is accepted notwithstanding the prices stated in any price list or quotation. The price charged in respect of Product and/or Services supplied shall be the price that is current at the date of delivery. The Seller shall not normally perform Services until the Buyer has confirmed its agreement to the estimated price.

6.2 The Seller reserves the right, by giving notice to the Buyer at any time before delivery, to increase the price of the Product and/or Services to reflect any increase in the cost to the Seller which is due to any factor beyond the Seller's control (such as, without limitation, any increase in the costs of labor, materials, or other costs of manufacture or supply); any change in the quantities of the Product requested by the Buyer; any change in the delivery dates of the Product and/or Services requested by the Buyer; or any delay or cost caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.

6.3 Unless otherwise agreed in writing, the price for the Product and/or Services shall be exclusive of any taxes (including sales tax) or levies and the Buyer will pay all costs and charges in relation to packaging (other than standard packaging), loading, unloading, carriage, freight and insurance, together with export and/or import charges or duties, where appropriate.

7. PAYMENT TERMS

7.1 Payment for the Products and/or Services and other charges is due thirty (30) days after the date of the Seller's invoice. The Seller may issue a separate invoice for each Contract or for each shipment (if more than one) under a Contract. The Buyer shall pay the amount stated in the Seller's invoice in the currency required by the invoice in immediately available funds, without any deduction whether by way of set-off, withholding, counterclaim, discount, abatement or otherwise. Payment must be made to the Seller at the address or account stated on the invoice. Time of payment is of the essence.

7.2 The Seller reserves the right to revise payment terms at any time and to request guarantees, security, stage payments or cash in advance for the Products and/or Services. The Seller may, at its discretion, refuse or limit deferred payment terms to the Buyer.

7.3 The Seller may agree to accept payment for the Products and/or Services by credit card provided that the Buyer shall in addition to the price of the Products and/or Services pay any charge levied by the credit card company in respect of such transaction.

7.4 Notwithstanding any other provision, all payments payable to the Seller under the Contract shall become due immediately upon termination of the Contract for whatever reason.

7.5 If any sum due from the Buyer to the Seller under the Contract or any other contract or order is not paid to the Seller on or before the due date for payment, then all sums then owing by the Buyer to the Seller or any affiliate of the Seller shall become due and payable immediately and, without prejudice to any other right or remedy available to the Seller, the Seller and any affiliate shall be entitled to:

(a) cancel or suspend performance of the Contract or any other contract or order placed with the Seller or any affiliate including suspending deliveries of the Product, Services and/or any other goods until arrangements as to payment or credit have been established which are satisfactory to the Seller; and/or

Without limiting the foregoing, neither the Buyer nor the Seller shall disclose or deliver any information or Products and/or Buyer Property and/or Seller property provided hereunder in any manner contrary to any applicable export or import laws and regulations. The Buyer and the Seller acknowledge that these laws and regulations impose restrictions on import, export and

transfer to third countries of certain categories of information and products, and that authorizations/licenses from the applicable regulatory agency may be required before such information and Products and/or Buyer Property and/or Seller property can be disclosed or delivered hereunder, and that such authorizations/licenses may impose further restrictions on use and further disclosure or delivery of such information and Products and/or Buyer Property and/or Seller property.

Except as expressly stated herein, nothing in the Contract shall be deemed to have given the Buyer a license or any other right to use any of the intellectual property rights of the Seller unless otherwise expressly agreed in writing by the Seller.

17. CONFIDENTIALITY AND DATA PROTECTION

17.1 The Buyer and the Seller shall each keep confidential and shall not, without the prior written consent of the other, disclose to any third party or otherwise make public the terms or existence of the Contract or any other confidential or sensitive information of the other.

17.2 The Buyer agrees that it will not exhibit the Product or any advertisements or price lists relating to any of the Seller's products or services without the prior written consent of the Seller.

18. ANTI CORRUPTION, ETHICS AND POLICIES

18.1 The Buyer warrants that its directors, employees, agents, representatives, contractors and subcontractors and any other person acting on its behalf will not:

18.2 If the Buyer breaches any of the above warranties, the Seller shall be entitled to terminate the Contract by written notice with immediate effect. Any termination shall be without prejudice to the accrued rights of the Seller.

18.3 The Buyer shall indemnify and hold harmless the Seller from any loss, damage and expense, including all legal fees, incurred or sustained by the Seller which is caused by or arises as a result of a breach of any of these warranties.

19. GENERAL

19.1 Nothing in the Contract shall create, or be deemed to create a partnership or joint venture or relationship of employer and employee or principal and agent between the parties.

19.2 The rights and remedies of the Seller in respect of the Contract shall not be diminished, waived or extinguished by the granting of any indulgence, forbearance or extension of time granted by the Seller nor by any failure of or delay by the Seller in ascertaining or exercising any such rights or remedies. The waiver by the Seller of any breach of the Contract shall not prevent the subsequent enforcement of the Contract and shall not be deemed to be a waiver of any subsequent breach of that or any other terms and conditions.

19.3 If at any time any one or more of the terms of the Contract or any part of one or more of these terms and conditions is held to be or becomes void or otherwise unenforceable for any reason under any applicable law, the same shall be deemed omitted from the Contract and the validity and/or enforceability of the remaining terms and conditions of the Contract shall not in any way be affected or impaired as a result of that omission.

19.4 The Contract sets out the entire agreement and understanding between the Buyer and the Seller in connection with the sale of the Product and/or Services and shall supersede and replace all documentation previously issued by the Seller or the Buyer. In case of conflict, agreed terms appearing on the face of the Contract shall take precedence over these terms and conditions, and these terms and conditions take precedence over any other documents referred to in the Contract.

19.5 Headings are for reference only and shall not affect the interpretation of these terms and conditions.
