

Feature	VLL	VLS	VLD
Rotating channel selector switch	X	X	X
Accepts 6-12 sensor inputs (base size)	X	X	X
Accepts 12-48 sensor inputs (expandable size)	X	X	X
Available in fiberglass or stainless steel	X	X	X
Selectable cable grip or conduit cable interface	X	X	X
Designed for use with single-output IEPE sensors	X	X	
BNC output connector (for data-collection)	X	X	
2-pin MIL-C-5015 output connector (for data collection)		X	
Industry-first data ready light		X	X
Optional online connectivity pass-through terminals		X	X
Designed for use with dual-output (vibe + temp) IEPE sensors			X
3-pin MIL-C-5015 output connector (for data collection)			X
